February 10, 2017

Dear Prospective Vendor,

Planning for the third annual Brentwood Harvest Time Festival is underway. The festival is scheduled for July 8th & 9th, 2017. The festival is a celebration of the farmland's harvest in City Park & Civic Center in Historic Downtown Brentwood. We are looking for products that reflect a high standard of lifestyle and current popular trends.

This year we have opted to offer a special discount for **Brentwood residents/Brentwood business** license holders. You must be able to provide proof of residency or provide us with your business license.

The festival will include live local entertainment on main stage both days and a multitude of events including; Contra Costa Wine Growers Association Wine Garden, Micro and Domestic Beer Garden, Fine Arts & Crafts, Children's activities & games, Harvest Time Farmer's Market, Cooking demonstrations from local and renown chefs using local produce, corn eating and shucking contests, interviews with a farmer and a Little Veggies Costume Parade.

Our estimated attendance is 18,000, however due to the extensive marketing campaign, that number will probably be greater. If you are interested in participating, please complete and return the enclosed forms with your payment. Categories are filling quickly so do not delay sending your application. Incomplete applications and applications without payment included will not be considered.

If you have any questions, please do not hesitate to email us at harvesttimefestival@gmail.com.

We look forward to hearing from you!

Sincerely,

Jessica Stonebarger

and

The Harvest Time in Brentwood Board of Directors
